

ALBERTO CORDERO
Alberto CORDERO-LECCA)

Full Professor of Philosophy and History, City University of New York at the CUNY Graduate Center and Queens College CUNY.

Director of Graduate Studies, Philosophy Department, Queens College, CUNY. Numerary Member of the *Academie Internationale de Philosophie des Sciences* and of the *Institute de Hautes Sciences Théoriques, Brussels*. Doctor, *Honoris Causa*, Universidad Nacional Mayor de San Marcos and Universidad Peruana Ricardo Palma, Lima. Honorary Professor,, Universidad Peruana Cayetano Heredia, Lima, Peru.

Former Chairman of the Philosophy Panel of the Research Foundation, CUNY; former Chairman of the Columbia University Seminar on the History & Philosophy of Science. Former University Director of the Library, Publications and Museums of Cayetano Heredia University (Lima-Peru), former Chairman of the Department of Physics & Mathematics and Honorary Director of the Program for Scientific Thought, Universidad Peruana Cayetano Heredia, Lima, Peru..

Fields: Philosophy of science and the philosophical history of science; scientific realism, foundations of physics, contemporary naturalism.

ALBERTO CORDERO
(Luis-Alberto Cordero-Lecca)
Curriculum Vitae, March 2013

FIELDS: Philosophy of science and the philosophical history of science; scientific realism, foundations of physics, contemporary naturalism.

NATIONALITY: Peru

HIGHER EDUCATION

A. Degrees

- Ph.D.: University of Maryland (College Park) (Ph.D., Philosophy): Dissertation: “Objectivism, Naturalism, and the Revision of Quantum Theory.”
- M.Phil.: University of Cambridge (Trinity College), Master of Philosophy (History & Philosophy of Science): Dissertation: “The ontological interpretation of the Heisenberg relations”.
- M.Sc.: University of Oxford (Worcester College), Master of Science (Nuclear Physics): Dissertation: “Heavy ion reactions and L-dependent optical model calculations.”
- Lic. & BSc: Universidad Nacional de Ingenieria, Lima, Licenciatura & B.Sc. (Physics and Mathematics): Dissertation: “La energia de un nucleo elipsoidal”.

B. Additional Higher Education

- University of Oxford: Philosophy courses of the Physics & Philosophy Program.
- Universidad Peruana Cayetano Heredia, Lima: General Studies (Concentration in philosophy, physiology and psychology):

C. Academic and Professional Recognitions

- Doctor *Honoris Causa*, Universidad Nacional Mayor de San Marcos, Lima, Peru (oldest university in continuous function in the Americas (since 1548).
- Honorary Professor, Universidad Peruana Cayetano Heredia, Lima, Peru.
- Fellow, Corpus Christi College, University of Cambridge (2009/2010).
- Fellow, Centre of Natural and Social Philosophy, London School of Economics, (2009/2010).
- Chairman of the Natural Philosophy Chapter, World Congress of Philosophy, Turkey, 2003.
- Doctor *Honoris Causa*, for services to philosophy, science and education. Universidad Ricardo Palma, Lima, Peru, 2000.

- Invited Speaker, Opening Session of the 5th International Congress on Science and Education, Como, Italy, October 1999.
- Plenary Session Speaker & Chairman of the Philosophy of Physics Section, 20th World Congress of Philosophy, Boston, August 1998.
- Guggenheim Fellow 1993/94
- Visiting Fellow, Department of History & Philosophy of Science and of Wolfson College, University of Cambridge. Lent & Easter Terms, 1994.
- Chairman of the Philosophy of Science Section, 1993 World Congress of Philosophy, Moscow.
- International Associate & Advisor (ad honorem). Graduate School, Universidad Nacional Mayor de San Marcos, Lima. 1992-1996.
- Numerary Member, Academie Internationale de Philosophie des Sciences, Brussels. (1983-)
- All Souls College, University of Oxford, England: Visiting Fellow, 1993-94.
- International Senior Research Associate; Dept. of Theoretical Physics, Università degli Studi, and Interdisciplinary Laboratory for Natural and Humanistic Sciences, Trieste, Italy; 1992.
- Chairman, Columbia University Seminar for the History & Philosophy of Science. 1991-1992.
- Presidential Research Award, Queens College, Fall 1990.
- University Seminar Associate, History & Philosophy of Science, Columbia University, New York. 1987-present.
- Harvard Senior Visiting Fellow; 1984.
- Fulbright Fellowship, 1983
- Goethe & Internationes Fellow; 1982
- Ford Foundation Scholarship; 1978

EXPERIENCE

A.- TEACHING-RELATED

- Full Professor of Philosophy and History, City University of New York at both the Graduate Center and Queens College. (1987 – present)
- Visiting Associate Professor & Lecturer; Dept. of Philosophy, University of Maryland at College Park, 1983-1987.
- Full Professor of the Humanities. Department of Humanities. Universidad de Lima, 1981-83.
- Associate Professor of Physics & Philosophy of Science, Universidad Peruana Cayetano Heredia, Lima, 1979-87.
- Profesor Auxiliar (Assistant Professor) of Physics and Foundations of Physics, Universidad Peruana

Cayetano Heredia, 1972-73.

-Lecturer, Dept. of Physics, Universidad Peruana Cayetano Heredia, 1971-73.

B.- OTHER ACADEMIC POSITIONS

B1: Research

-Fellow, Corpus Christi College, University of Cambridge (2009/2010).

-Fellow, Centre of Natural and Social Philosophy, London School of Economics (2009/2010).

-Honorary Director of the Program for Scientific Thought, Universidad Peruana Cayetano Heredia, Lima, Peru.
Since 1993-.

-Visiting Fellow, Department of History & Philosophy of Science, and Wolfson College, University of Cambridge; 1994.

-VSR Fellow, All Souls College, University of Oxford, England: 1993.

-Numerary Member: Academie Internationale de Philosophie des Sciences, and the Institute de Hautes Sciences Theoriques, Brussels. 1992- (Correspondent Member 1982-92).

-Visiting Senior Scholar, Dept. of Philosophy, Harvard University, 1984.

-Senior Research Fellow, Institute for Philosophical Investigations, and Professor of Philosophy, Lima University, 1981-88.

B2: Academic Administration

-Director of Graduate Studies, Philosophy Department, Queens College. 1999-present.

-Academic Adviser to the Biennial International Congress of Ontology, Spain. 1997-present.

-Honorary Chairman of the program “Pensamiento Científico”, Universidad Peruana Cayetano Heredia”, Lima-Peru, 1987-present.

-Chairman & Liaison, Philosophy Panel, University Committe for Research Awards, RF-CUNY; 2002-2008.

-Academic Advisor (2003-04), Doctoral Program in Philosophy at the Graduate Center, CUNY.

-Chairman (2002-03; 2005-08) of the Comprehensive Examinations Committee in Philosophy of Science and Philosophy of Language; Doctoral Program in Philosophy at the Graduate center, CUNY.

-Comprehensive Examinations Committee in Philosophy of Science and Philosophy of Language; Doctoral Program in Philosophy at the Graduate Center, CUNY. 1996-2009.

-International Coordinator of the Annual Philosophy Colloquium & Seminar, Universidad Ricardo Palma, Lima, Peru. 2000-04.

-Philosophy Library Committee, Doctoral Program at the Graduate Center, CUNY; 1998-2002.

-Vice-Chairman, Humanities Division, CUNY Research Foundation; 1997-98.

- Chairman & Liaison of the Philosophy Panel, CUNY Research Foundation; 1995-98.
- Honors & Awards Committee, Queens College CUNY; 1997-2001.
- Curriculum Committee, Dept. of Philosophy, Queens College, CUNY. 1991-2000.
- Library Representative, Philosophy Department, Queens College, CUNY. 1987-2000.
- Representative of the Philosophy Department; Powdermaker Hall Renovation Committee, Queens College. 1994-97
- International Associate & Advisor (ad honorem). Graduate School, Universidad Nacional Mayor de San Marcos, Lima. 1992-96.
- Chairman, Columbia University Seminar on the History and Philosophy of Science. 1991-92.
- Planning Committe. Queens College CUNY Presidential Council for Multicultural Initiatives. 1991-93.
- Senator at Large, Social Sciences Division, Queens College, CUNY. 1988-1992.
- Head of the Department of Physics, Mathematics and Foundations of Science, Universidad Peruana Cayetano Heredia, Lima, 1980-85.
- General Coordinator of the Program for the History, Philosophy and Sociology of Science and Technology, Peruvian Council for Science and Technology, Lima, 1981-83.
- Member of the University Executive Board, Universidad Peruana Cayetano Heredia, Lima, Peru, 1979-80.
- Director of the University Library, Museums and the University Press, Universidad Peruana Cayetano Heredia, 1979-80.

B3. EDITORIAL BOARDS

Analítica; Peru

Crítica; Mexico

Ontology Studies; Spain

Philosophia, Ecuador

Science & Education; a Springer-Verlag journal

PUBLICATIONS AND CREATIVE WORKS

(A) BOOKS

Philosophy and the Origin and Evolution of the Universe. Includes critical introduction by editors. With E. Agazzi. Dordrecht: Synthese Library, Kluwer, 1991. 500 pp.

(B) SELECTED JOURNAL ARTICLES & CHAPTERS IN BOOKS/ANTHOLOGIES . Refereed publications indicated with “+”:

Forthcoming:

Volume: *Reflections on Naturalism* (ed., with J.I. Galparsoro); Spring (2013).

Articles:

“Naturalism and Scientific Realism”, in *Reflections on Naturalism* (J.I. Galparsoro & A. Cordero, eds.); Spring (2013).

“Naturalism and Philosophy” (with J.S. Galparsoro), introductory essay for *Reflections on Naturalism*, Spring (2013).

(+) “Theorizing and the Weight of Received Metaphysics”. Forthcoming in *Science & Education* (2012)

(+) “Predictive Power and the Hermeneutic Circle”. Forthcoming in *Science and Interpretation. Berlin* (2012): Akademie Verlag.

(+) “Theory-Parts for Realists”. European Philosophy of Science Association, Selected Papers of PSA11. Forthcoming, Summer 2013.

In Print:

(+) “Conversations across Meaning Variance”. *Science & Education*. Printed version, , Spring 2013. Also available to licensed libraries and institutions as an Online First article on SpringerLink [(DOI) [10.1007/s11191-012-9540-y](https://doi.org/10.1007/s11191-012-9540-y)]. <http://www.springerlink.com/openurl.asp?genre=article&id=doi:10.1007/s11191-012-9540-y>

+ “Explanatory Elucidation and Scientific Realism”. *Epistemologia* (XXXV, 2012): 59-70.

+ “Mario Bunge’s Scientific Realism”. *Science & Education* (Vol. 21, 2012): 1319-1435.

+ “Scientific Realism and the *Divide et Impera* Strategy: The Ether Saga Revisited. *Philosophy of Science* (Vol. 78, 2011): 1120-1130.

(F) REPORTS AND OTHER WORKS

- Report on Improving Research Activities in CUNY. Collaborative document for PSC-CUNY & The CUNY Research Foundation, New York, 2006.
- Referee for the journal Critica, since 1998.
- Specialist Project Reviewer: National Science Foundation. For: reports on major grants in the foundations of physics. Various, since 1995.

- Specialist Project Reviewer: National Endowment for the Humanities. For: reports on major grants in the history & philosophy of physics. Various, since 1991.
- On higher education for the next century: “Educación Superior y Desarrollo”. Published by Conferencia Anual de Ejecutivos (CADE), Lima, Perú, 1996.
- Member of the Philosophy Panel, National Endowment for the Humanities. For: reports on summer stipends, 1992.
- Specialist Project Reviewer: CONACIT, Mexico (Mexican National Council for Science & Technology). For reports on major grants in the foundations of physics. 1990-present.
- Referee for the journal Foundations of Physics. Various, since 1995.
- Referee for the journal Science & Education. Since 1993.
- Referee for the journal Philosophy of Science. Various, since 1990.
- Referee for the journal Synthese. Various, since 1989.
- “Feasible projections of the American University system in Latin America: A pilot project for scholastic cooperation”; with David Gruender, Florida State Univ., 1986.
- “Proyecto: ciencias exactas para las ciencias de la salud en Latinoamerica”, Panamerican Health Organization, 1983.
- “Ante-Proyecto de Ley: Instituto del Peru”; Presidency of the Republic, Peru, 1982.
- “Diagnóstico del estado de las investigaciones en epistemología, lógica y matemáticas en el Perú”, Peru's National Council for Science and Technology (CONCYTEC), Lima 1981.

(G) GRANTS & FELLOWSHIPS

- The Research Foundation CUNY: PSC-CUNY Award (2012-2013): Research in Cambridge-England.
- The Research Foundation CUNY PS-CUNY Award (2010-2011): Time release (one unit)
- The Research Foundation CUNY PS-CUNY Award (2010-2011): Time release (one unit)
- Service Research Grant from The Research Foundation CUNY. 2004-2008
- Grant from The Research Foundation CUNY. 2002-2003. For investigation “J.C. Maxwell’s Natural Philosophy: Maxwell on Scientific Representation”.
- Grant from The Research Foundation CUNY. 2000-2002. For investigation “A Partial-Realist Approach to the Problem of Underdetermination in Objectivist Physics.”
- Grant from Research Foundation, Award, CUNY, 1996-97: For investigations concerning the testability of stochastic formulations of non-linear quantum theory (B).
- FIPSE Grant, Mentors Program, Queens College, CUNY; Spring 1996. For tutorial course linked to the production of a materials on the philosophy of relativity and quanta.

- Grant from Research Foundation, Award, CUNY, 1995-96: For investigations concerning the testability of stochastic formulations of non-linear quantum theory (A).
- Grant from National Science Foundation Award, 1995-96: For CUNY-LIMA International Program of Courses & Research Workshops on Scientific Thought.
- Grant from FIPSE Award, Queens College, CUNY; Summer 1995. For allowing a team of students to participate in international courses & workshops organized by the undersigned in Lima, Peru.
- Grant from Guggenheim Fellowship 1993/94. Academic year 1993/94.
- All Souls College, University of Oxford, England: Visiting Fellowship (non-stipendiary honor), 1993.
- Grant from National Science Foundation, 1992-93: For investigations of state-reduction processes presupposed in applied quantum mechanics.
- Grant from Research Foundation, CUNY, 1992-94: For investigations concerning recent stochastic formulations of non-linear quantum theory.
- National Endowment for the Humanities, Summer Research Award, 1991/92: For studies of the concept of objectivity in quantum physics.
- Queens College, Presidential Research Award, Semester released from teaching duties. Fall 1990.
- Research Foundation CUNY, Creative Incentive Award, 1989.
- Grant The National Science Foundation & Queens College, CUNY. For Summer School & Research Workshops on the Natural Sciences and their Foundations I. Lima, Peru, 1989.
- Fulbright Fellowship Grant. Philosophy of Science. 1983.
- Grant from Consejo Nacional Ciencia y Tecnología, Perú. For 1er Coloquio Internacional de Filosofía e Historia de la Ciencia ("Charles Darwin"), Lima, 1982.
- Goethe & Internationes Grant: Winter 1982. Room & Board in Germany.
- German Cultural Services. Grant for Conferencia "La Critica de la Razon Pura", Lima 1981.
- Universidad Cayetano Heredia, Lima. Grant for International Symposium: Language, Science and Reality; Lima/Cuzco, 1980.
- Grant from Hoechsts Laboratories. For Conferencia "Perfiles del Hombre", Lima, 1980.
- Grant from The Goethe Institute, Peru. For Conferencias Albert Einstein, Lima 1979.
- Ford Foundation Research Grant, Lima, Peru. 1978.

OTHER SERVICE TO THE PROFESSION

- Chairman of the Natural Philosophy Chapter, World Congress of Philosophy, Turkey, 2003.
- Member of the Congresses Committee, Federation Internationale de Societes de Philosophie (FISP). 1993-97.

- Organization & executive coordination of: The Natural World in Ancient Mesopotamia. British Academy Lectures, with Dr Jeremy Black et al., Lima, 1994.
- Session Chairman (Philosophy of Science), 1993 World Congress of Philosophy, Moscow.
- Advisor to the Chancellor (ad honorem). Universidad Peruana de Ciencias Aplicadas, Lima, Perú. 1993-present.
- International Advisor (ad honorem). Graduate School, Universidad Nacional Mayor de San Marcos, Lima, Perú. 1992-present.
- Chairman, Columbia University Seminar for the History & Philosophy of Science. 1991-1992.
- Pilot project co-director: "Feasible projections of the American University system in Latin America: A project for scholastic cooperation"; with David Gruender, Florida State Univ., 1986.
- Project Director: Ciencias exactas para las ciencias de la salud en Latinoamerica", Panamerican Health Organization, 1983.
- Member of the Presidential Committee for "Proyecto de Ley: Instituto del Peru"; Presidency of the Republic, Peru, 1982.
- Director of Committee for "Diagnóstico del estado de las investigaciones en epistemología, lógica y matemáticas en el Perú", Peru's National Council for Science and Technology (CONCYTEC), Lima 1981.

SERVICE TO COMMUNITY (Last five years only)

Member of the Board (ad honorem). Tennis View Apartments Corporation. 1995-1997.

Honorary Media Observer to the United Nations for Diario 7 Sunday Cultural Supplement, "El Comercio", Lima, Perú (ad honorem) 1989-1995.
